## TimBila Safari Lodge

Set into the slope of the Osera mountain, towering high above the majestic plains of the 30 000ha reserve, lies a tented lodge like no other. Our story is one of second chances and new beginnings and is conveyed not only through the wildlife and their stories but also through the carefully curated interiors and spaces created for introspection. 12 spacious tented suites with wood fired hot tubs set the scene for your ultimate safari experience.

## TimBila Private Villa

Nestled into the plains of TimBila Nature Reserve, the epitome of family hideaways awaits. Ten bedrooms adorned in safari chic style open onto mesmerizing waterhole views. Sunken lounges, a variety of dining areas, inviting open exteriors and a brilliantly blue swimming pool forms the backdrop to your family safari. Fully serviced and catered, your host will anticipate all your needs. Time to reconnect, rejuvenate and bond over the hypnotic Namibian sunsets and absorbing starscapes.

## Camp Namibia

Walk barefoot in the sandy riverbed of the Omaruru river and find yourself immersed into an Africa experienced by only the lucky few. 12 en-suite self-catering tents and 4 camp sites with private ablutions line the often dry riverbank and is home to the authentically down to earth Camp Namibia. A lapa, swimming pool and close-by watering hole set the scene for a relaxed family safari. Game drives and activities are on offer and a kiosk supplies the basic wants and needs.

Being very remote we are not near any supermarket, basic items of a personal nature can be purchased on-site. Basic food and drink items are sold at the Camp Namibia kiosk.

## GIVING BACK:

We care passionately about our local communities and their economic & social development. Our 'Safari for a Cause' initiative provides guests with the opportunity to give back through purposeful travel. 100% not for profit, we offer the most meaningful, deliberate and conservation focused wildlife and safari experience in the world.
